Novice Rider Horse Show — Rules & Regulations

Held in association with: Teesdale Equestrian · M.C. Equestrian Centre · Paramount Equestrian

- These shows are designed for beginning riders in a lesson program — riders who ride on average once or twice a week on a lesson horse and do not own their own horse. The partner barns have come together to give lesson riders a fun, fair horse-show experience.
- Riders cannot attend another show where they jump bigger than 2'6". This is to look out for the best interests of our lesson horses. Once a rider has jumped bigger than 2'6" they are no longer permitted to return to the Novice Rider Circuit (with the exception of a long hiatus).
- Riders who have competed higher than 2'6" may attend but only to school “au concours”, at the same entry cost — this is for novice riders, not novice horses. Trainers are welcome to school in the ring one hour before the first class.
- There is no flat class. A 10-minute course walk is offered once before the show starts. The ring is open 50 minutes before the start for schooling. Ribbons are presented to 8th place at the end of each division.
- Attire: show jackets, dark-coloured sweaters (turtlenecks) or a long-sleeve shirt with beige or an appropriate riding pant and belt. Boots or half chaps are permitted. A well-fitted helmet is required and a hairnet or neat ponytail is appropriate. Clean, neutral, conservative attire is recommended.
- Each division has three classes: a lower hunter, a higher hunter and a huntseat (equitation over fences). Huntseat may involve a turn or a bending line — a bit more challenging than a straightforward hunter class. Equitation is our top priority, so prizes as well as ribbons are awarded.
- Division A is only for riders 10 years of age or younger as of January 1st of the year. (If a rider turns 11 in March, they are 10 as of Jan 1 and eligible for the division for the rest of the year.)
- Division B has 4 classes: 2 x-rail and 2 at 18". You may only enter ONE huntseat class — so choose the one you wish to compete in. This means two x-rail and one 18" class, OR one x-rail and two 18" classes.
- The year consists of 7 or 8 shows. Teesdale Equestrian holds the final year-end show in a different format: two heights per division, with special prizes in the final class of each height. There are no total year-end prizes or championships — each show decides its own prizes and special awards.
- Entries are due the Friday of the week before the show, to your own barn (not the show). Each barn forwards one payment to the show by the Tuesday before, by e-transfer, along with emailing all entry forms.
- If any class has over 25 entries, the class is split and two sets of ribbons given (huntseat prizes are also doubled).
- These shows run under rules similar to Equine Canada, including acceptable tack. Anything else must be approved by the judge — please check before the show and have a plan.

Thank you for attending — we hope you have lots of learning along with fun times!
